

TO ALL VOG III RESIDENTS

The Second Notice of the Annual Meeting for election of directors and budget approval went out yesterday. It should arrive by the end of the week.

Due to unforeseen circumstances, the Second Notice was delayed in being sent out, but was done so within the legal time requirement.

With that in mind, please open the notice as soon as possible, review it, vote for your choice of two Directors, sign where applicable and make plans to return it to Ameritech Mgmt. Company by the deadline.

You can also turn in the proxy material to any board member.
