VILLAGE VOICES

SPRING PLANTING TIPS: Submitted by Eva Thomas (Patio Homes)
(Edited by Chris Carlee)

Spring is in the air! At this time of year, it is so tempting for us gardeners to start planting some lovely flowers, bushes and trees. The experts' advice is to read the growing habits of any new tree or bush you are thinking of planting. How monstrous could it grow? How deep and invasive could those roots become? Here's a free and helpful website, www.garden.org, that offers some guidance for potential planters. And keep this in mind: What you may be happily planting today.... could come back to haunt you.

VOG CLUBHOUSE EVENTS

Submitted by Several VOG Residents

Not all VOG social events are being advertised in the *Village News*. So, be sure to check the Clubhouse doors for flyers about events occasionally taking place at the Clubhouse, which the VOG community residents are invited to attend. Also, if you are the organizer of such an event, please send the information to the editor of *Village News* so it can be published in the newsletter. Thank you!

PATIO HOMES BOARD UPDATE:

Submitted by Gerard Besaw, President

Patio Homes Weekly Curbside Trash Removal: The Clearwater Sanitation Dept. collects garbage, recyclables, yard waste and household trash weekly on Monday mornings. For garbage (black barrel), recyclables (blue barrel), and other waste items, please DO NOT put to the curb any earlier than 7 p.m. on the night prior (Sunday night) to your collection day (Monday). The exception is yard waste, which can be put out early on Sunday. Tree limbs and shrubs must be cut into 4 ft. lengths and placed curbside. Your contracted tree service companies must take away their own cuttings. Please remember to clean up the curb area after the collection, and take your barrels in. For any questions, please call City Waste Collection at (727) 562-4920. Thank you.

Editor's Note: If you desire an e-mail version of the *Village News* newsletter, you may call or e-mail your condo association representative to make that request. An e-mail copy each month is now being sent to the designated representative for each of the four VOG Condo Associations.
