DID YOU KNOW?....More than one-third of persons 65 years of age or older fall each year, and in half of such cases the falls are recurrent. The risk doubles or triples in the presence of cognitive impairment or history of previous falls. Falls are the most common cause of injury-related hospital admissions among those aged 65 years or older. The Aging Well Center (part of The Long Center) at 1501 N. Belcher Rd., Clearwater, has CHAIR YOGA and STABILITY classes to help improve balance and prevent falls. The classes are free to Silver Sneakers members and only \$4-\$5 for others. Please call the Aging Well Center for more information. PH: (727) 562-4904.
